MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : DCID No. 1/14, "Minimum Personnel Security Standards and Procedures Governing Eligibility for Access to Sensitive Compartmented Information"

REFERENCES : a. DCID No. 1/14, 1 July 1968  
b. USIB-D-9. 1/27, 16 October 1974,  
"Letter of Instruction"

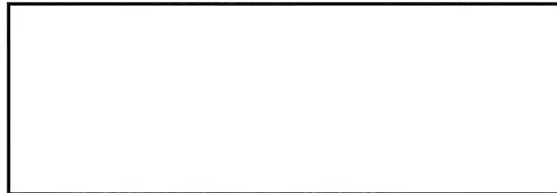

1. The attached revised DCID No. 1/14, "Minimum Personnel Security Standards and Procedures Governing Eligibility for Access to Sensitive Compartmented Information," is circulated for Board consideration.

2. In June 1975 the Security Committee, in response to the reference Letter of Instruction, completed a revision of DCID 1/14 but did not forward it for USIB consideration at that time due to other studies underway which could possibly have had an impact on this DCID. One such study, the revision of compartmentation procedures is still under consideration. It is not now felt that the outcome of this study will negate the need for minimum personnel security standards. The other study, the Community-Wide, Computer Assisted Compartmentation Control System study, also will have no effect. The members of the Security Committee unanimously concur in the revised version of DCID 1/14 and recommend that it be published as an unclassified document.
